

## **Spring is Bus-ting Scavenger Hunt**

(Send completed to [MPalmerC@comcast.net](mailto:MPalmerC@comcast.net) as attachment or pasted into the body of the email by May 10, 2021 to enter drawing for the prize.)

1. Many wildflower have come and gone by late April. Your keen eyes may still see some! Name or describe one that you might see on one of these trails.
2. Ferns and Moss will be plentiful. Name or describe one of these and which trail you saw it on.
3. The Wildflower Greenway is located in what Secret City?
4. Name the TVA landmark that is visible from the upper ridge on River Bluff Trail.
5. Since Maryville College Woods is an educational outdoor area, name one thing you learned in or about this site.
6. Name one of the predominate type of trees on Chestnut Top trail.
7. Name the feature of the hike at Mead's Quarry on Imery's trail that resembles ancient ruins.
8. What animal's migration path includes Sharps Ridge in Spring and Fall.
